For you, there'll be no more crying.
For you, the sun will be shining.
And I feel that when I'm with you,
It's alright, I know it's right.

To you, I'll give the world.
To you, I'll never be cold.
'Cause I feel that when I'm with you,
It's alright, I know it's right.

And the songbirds are singing, like they know the score.
And I love you, I love you, I love you, like never before.

Verse line 1 (instrumental)
Verse line 2 (Instrumental)
And I wish you all the love in the world.
But most of all, I wish it for myself.

And the songbirds keep singing, like they know the score
And I love you, I love you, I love you
Like never before, like never before, like never before.
