For you, there'll be no more crying.  
For you, the sun will be shining.  
And I feel that when I'm with you,  
It's alright, I know it's right.

To you, I'll give the world.  
To you, I'll never be cold.  
'Cause I feel that when I'm with you,  
It's alright, I know it's right.

And the songbirds are singing, like they know the score.  
And I love you, I love you, I love you, like never before.

Verse line 1 (instrumental)  
Verse line 2 (Instrumental)  
And I wish you all the love in the world.  
But most of all, I wish it for myself.

And the songbirds keep singing, like they know the score  
And I love you, I love you, I love you  
Like never before, like never before, like never before.
